Please check out the up-dated list of Forthcoming Events. You should have received an email earlier this week. It is also on the web-site listed under Events.

**THANK YOU** to the ladies from the PTA who did a marvellous job wrapping all the Mother's Day gifts which were sold on Thursday. The children spent a lot of time choosing their gifts and hopefully they will be able to keep them secret for a little while longer. Once again thank you for your support in this fund raising venture

### BAG2SCHOOLS

The PTA are having a collection on Thursday 19th April. So when your are having your Spring Clean over Easter please keep your old clothes for them. We should have the bags in school shortly,

### TREATS FROM HOME

Often, on special occasions, parents/carers may send in treats from home for pupils in their child's class. This is a beautiful thing to do. We have quite a number of pupils with severe allergies to a variety of foods. Please be mindful of this when considering sending in any treats.

Our policy in school is to send the treat home with the pupil so that their parent/carer can check whether it is ok for them to consume it. It would really be helpful to all concerned if these points could be followed.

- \* Individually wrapped
- \* Full list of ingredients
- \* Absolutely no nuts (we are a nut-free school)
- \* Preferably no gluten (dairy-free too would be marvellous)

If you have a child with allergies and you wish to send in replacement treats for your child (so they do not have treats provided by others), please see the class teacher.
