Extra Mile Care

Do you know someone who needs a helping hand?

We are a local care agency, who would love to help out. Imagine the old-fashioned home help, and that will give you a good idea of the service that we offer. Our visits last a minimum of half an hour, but we would love to stay longer.

We are a befriending service, and will provide support with shopping, cleaning, ironing and preparing meals.

To chat to our friendly team, and discuss the help that we can offer, please ring:

Wendy Campbell 01925 224777
