### Meet our new sports captains

**These girls wrote fantastic applications for the post and impressed us with the way they participate in sport and activities both in and out of school. The sports captains have come at a great time. We have just taken delivery of over £2000 worth of new sports equipment, paid for by our sports premium funding; we have a new PE apprentice and the after school clubs are starting to build up. A new timetable of sports clubs will be issued shortly.**

**A big THANK YOU to everyone who took part in the PTA Read-a-thon. The winner will be announced next week.**

## Back to the Future

Children of St Peter's will live long in the history books of Newton after producing work, including letters, to children of the future. On Monday 18th March some of our children took part in the re-opening of Newton train station. We had been asked to put documents in a time capsule ready to be unearthed in 50 years time. It was a great occasion with children from four schools, specially invited by Network Rail and Mersey Travel, taking part. We are very proud to be associated with a piece of our local history as well as being part of the future.

Well done to everyone who took part.

Mr Robinson & Mrs Vinyard.
