

Week 3 Afternoon Project.

This week, I would like you to look at the work of artist Andy Goldsworthy. Andy is famous for his natural art and sculptures using natural resources around him. Take a look at the images below.

I would like you to recreate one of Andy Goldsworthy's famous sculptures and/ or make your own. Can you collect resources on your daily walk? Be careful not to touch anything you shouldn't. You could also find resources in and around your garden.
