Data Handling - Which is the most popular vegetable?

A bit of a change from White Rose today!

Data Handling - Ask between 10-20 family members or friends about their favourite vegetable. Create a tally chart and/or a pictogram of the results. Use the separate pdfs or create your own!

TTRockstars - Log in to take part in the tournament

It is the last day of the tournament. Marvellous Me badges for all who took part as well as virtual trophies for the top three most valuable players for both teams.
