

## Year 2 Maths from Mrs.Ainsworth

20.5.20

### 4-a-day

1. 36 plus 21 =
2.  $58 - ?? = 38$
3.  $7 \times ? = 35$
4. 15 divided by 3 =

### White Rose -Week 4 lesson 2 -Adding Two 2-digit numbers

Watch the 10 minute video with pencil and paper to join in

<https://whiterosemaths.com/homelearning/year-2/>

### Dive Deeper problem solving

Solve the word problems using your adding 2 digit techniques

Print separate pdf sheet or jot down on another piece of paper.

### Help?

Remember the website Mathsbot has online versions of the equipment mentioned. Base 10 is called Dienes on the website but it is the same type of resource.
