23rd May 2025

Dear Applicant,

'The school delivers highly effective professional development for staff. Leaders carefully consider the workload and well-being of all staff. Staff could not be prouder to work at this exceptional school.' Ofsted 2025

Thank you for your interest in the position of Year 6 Teacher at St Peter's C. E Primary School, Newton-le-Willows. This is an incredibly exciting time to join our team, following our recent *Outstanding* rating in all areas during our January inspection.

'Pupils flourish academically and socially. St Peter's is a superb school and a happy place to learn' Ofsted 2025

St Peter's is a high-achieving school that takes great pride in both the academic progress and personal development of all our pupils. We are seeking a dedicated and passionate teacher to continue this journey of excellence, working with a Year 6 class full of eager and motivated learners.

This vacancy has arisen due to our current Year 6 teacher gaining promotion to a senior leadership role at another school. We are looking to appoint a highly skilled professional who can contribute to the continued success and rapid improvement of St Peter's. The successful candidate will demonstrate outstanding classroom practice and have a proven track record of raising standards and securing excellent outcomes for pupils.

As this post has a TLR in English attached, we are particularly interested in candidates who bring strong subject leadership qualities and can show clear evidence of sustained and positive impact in their current role. As a key member of our teaching team, you will play a vital role in shaping the learning experience for our pupils and preparing them for a successful transition to secondary school.

While this role is focused on Year 6, we are also looking for someone who can contribute to the wider school community by supporting the development of teaching and learning across all year groups, from Reception to Year 6.

What makes St Peter's stand out is the teamwork, collaboration and the way all staff get on together. You must be a team player, with a smile on your face and go the extra mile with your colleagues. If you are hardworking, committed to making a difference in children's learning and ready to take on a new challenge, this could be the perfect opportunity for you. You will be joining a professional, dedicated, and happy team of staff who are proud to be part of St Peter's.
