SCHOOL COUNCIL DECIDES!

Last year you may remember, the PTA spoke with the School Council about how they would like to spend £2000 within school.

The PTA wanted to give the pupils a 100% say on what to spend the money on. After lots of researching and discussions with staff, they have decided they would like a new shed to replace the existing one by the Yr4/5 exit. They also asked for some resources to be stored inside for everyone to enjoy!

Keep an eye in the playground for the new arrival!

WHAT WE DO

The Parent Teacher Association (PTA) exists to support the school in providing a great education and experience to the children. We do this through developing relationships between parents, carers and staff by providing activities, equipment and resources to the school.

All parents/carers and staff are automatic members of the PTA. There is a committee that oversee the running, but anyone is welcome to input ideas and/or time - you don't have to make a huge commitment - occasional extra hands are invaluable!

The PTA organises lots of activities through the year such as school discos, Mother's Day shop, Easter raffles, movie nights and of course the summer fair! All funds raised go back into providing resources for the school such as the new reception sand kitchen, resources for the eco-hub, new reading books and furniture.

Everyone is welcome to get involved, so if you are interested, or have any ideas, please contact us via email or our social media pages.
