

POWER OF YET POEM

By Lisa King

I can't do it, I don't get it
Maybe I should just forget it
People all around me say
To just stick with it day to day.
They say things like "Don't you fret,
You just don't get it **YET.**"
YET you say, **YET** you teach
All things could be within my reach?

YES!

You mean I'll learn it eventually
I'll understand it mentally.
All in good time, the power's in waiting
While keeping up the grit and training.
Telling my brain that I will get
Growth Mindset and the Power of YET.
