

Tuesday 21 st April

Good morning, Y6. Have you done Joe Wicks? Or are you still half asleep?

English

Spelling - Please practise 5, 10 or 15 words from the Y5/6 Spelling List. (You have these in your packs but I shall put them on here too.)

A few of you have already mastered these, I know! Challenge yourselves by either using the Top 50 word list that adults struggle to spell (google it if you didn't take one home) OR look through a dictionary and choose some new, unknown words.

GAP - Please choose 2 or 3 pages from your CGP Grammar, Punctuation and Spelling book to complete.

If you have powered through this and you have no pages left to do, firstly WELL DONE and secondly, choose one of the sections e.g. colons and write ten sentences showing their correct use.

Maths - Please see Mr. Badley's task
