### English – Spelling Work and SPAG Mat 2

Each Monday, I will set a SPAG mat and some activities to practise this week's spellings. You can carry out the 'test' whenever is best for you. The SPAG (spelling, punctuation and grammar) mats have three levels of difficulty to choose from.

### <u> World Ocean Day – Geography/Environmental Issues</u>

Learn some more about the World's Oceans. Use the power point to learn facts and create your own mini oceans book. Make a poster or a piece of Art. Alternatively, use the websites below to set your own learning.
